To the Officers and Members of the Subordinate Chapters,

Happy New Year! Have we got a gift for you!

Please find attached the new Petition Form. This is a direct result of Resolution #42 that was adopted at the recent General Grand Chapter Triennial Assembly sessions in South Carolina. We had been told that they would arrive in a couple of months and here they are right on time.

This form will replace any other petition that you may have in your files. . All others are null and void. So please discard and start using the attached.

To those petitioners who could not find the link from the past, now can petition with the assistance of a Brother and Sister in the present. A female petitioner can be sponsored by one Brother and one Sister who submit a letter of recommendation on the petitioner's behalf. This opening now provides us with the opportunity to grow in numbers. So, let us pass them out wherever we can to those, who will not only be good for OES but to those who will benefit from having OES in their lives!

Always remember, "Because of you I believe in Angels!"

Fraternally,

Barbara McGregor
